***From Alone to Aloha - The Sonia Lien Story***

*From Alone To Aloha*, the story of the life of Sonia Lien - musician, performer, survivor.

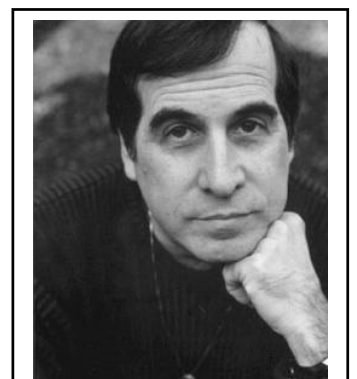

Sonia's story chronicles a journey of hope, from the destructiveness of bigotry to the defeat of bigotry.

*From Alone To Aloha* is also a story of a faith journey, from the searching heart of a mystic broken child to reconciliation with her Creator, from abuse and abandonment to healing and joy, from profound loneliness to profound celebration and reunion with long-lost Hawaiian family.

*Aloha kākou* (love and greetings to all)
