*From Alone To  
Aloha* is the story  
of the life of Sonia

Lien – musician, performer, survivor.

Sonia's story chronicles a journey of hope, from the destructiveness of bigotry to the defeat of bigotry. It is also a story of a faith journey, from the searching heart of a mystic, broken child to reconciliation with her Creator, from abuse and abandonment to healing and joy, from profound loneliness to profound celebration and reunion with her long-lost Hawaiian family.

*Aloha kākou* (love and greetings to all)
